A Journey in Love Book

A developmental programme for children in the primary years

Sr Jude Groden RSM and contributors

Dr Sathi Aiyu, Emeritus Consultant Physician in the NHS; Ilse Brockling, Founder, CEO and Director of Children's Health Projects; Fr David Clemens, Parish Priest, Analytical Psychologist; Sarah Feist, Adviser for Religious Education and Catholic Ethos, in the Diocese of Arundel and Brighton; Patrick Harrison, Adviser for the Diocese of Southwark; Shaun Kelliher, Deputy Headteacher and former senior nurse in the NHS.

This revised resource for primary schools on Relationship and Sex Education is intended to support teachers and parents in Catholic schools to enable the holistic growth in love of children.

An aspect of the mystery of love is treated in each year group; children and young people are encouraged to marvel at the wonder and beauty of God's creative love. This is reflected in each stage of a person's growth in the primary years through a series of suggested, progressive and developmental tasks, activities and reflections that focus on social, emotional, physical and spiritual development.
