Why schools?

- Justice
- Evangelism
- SIAMS!

**“Partnering with Compassion
has inspired so many of our
young people to look beyond
themselves and see where
there is a need.”**

Poverty in Ethiopia:

Under 5 mortality rate is **46 deaths per 1,000 live births**

2% of Ethiopia are using basic sanitation services

with 8% of the populations using safely managed sanitisation services

42% of Ethiopia have access to basic drinking water services

the WHO classify this service 'basic' if the nearest safely-managed water is can be obtained in under 30 minutes

45% of children aged between 5-17 years old are engaged in child labour

47% of children complete primary school

(UNICEF statistics obtained in 2025)

UNICEF reports that over 9M children are currently out of school across Ethiopia with more than 6,000 schools closed and around 10,000 schools damaged due to conflict and climate shocks

Join us!

Young people in Brighton and Hove are uniting for an 11 km walk to raise money for a Mums and Babies survival programme in Ethiopia.
